CORONAVIRUS (COVID-19) UPDATE

At North Georgia Insurance Services, the health and well being of our employees and customers have and always will be our primary concern. We will continue to work hard to endure that doing business with NGIS is always easy and convenient, however, to do our part in “flattening the curve” of the COVID-19 pandemic, we are requesting that customers limit in person visits to our office.

While we will have limited staff in the office during normal business hours to take only those payments that cannot be made over the phone or online, you can always reach us by phone, fax, email, and on this website. If you need to file a claim or pay a bill after hours, please contact your individual insurance carrier directly. You can find the contact information for the carriers we represent at <https://northgains.com/about-our-agency/insurance-companies/>.

We look forward to serving your needs in this uncertain climate and pray for the safety and health of you and your loved ones. As always, thank you for your loyalty and for choosing to “Take The Journey” with North Georgia Insurance Services.

Sincerely,

Chip Kidd
